COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Sir:

In response to the Notice of Allowance mailed August 9, 2006, and the Examiner's Statement of Reasons for Allowance made therein, please enter the following remarks:

REMARKS

In the Interview Summary that accompanied the Notice of Allowance, the Examiner indicates that the undersigned attorney agreed to replace the word "cancer" with "multiple sclerosis" in claim 14 in order to overcome the 112, second paragraph rejection of record. The undersigned attorney notes that the 112 rejection was actually a 112, first paragraph rejection. The 112, first paragraph rejection has been overcome by the amendment noted above.

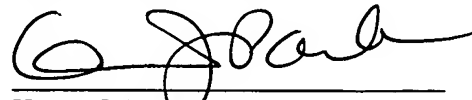

CONCLUSION

Applicant submits that Claims 1-9 and 12-14 (renumbered 1-12) remain in condition for allowance. Should the Examiner be of the view that an interview would expedite consideration of the comments above or of the application at large, request is made that the Examiner telephone the Applicant's attorney at (908) 518-7700 in order that any outstanding issues be resolved.

FEES

These comments are being submitted simultaneously with the payment of the Issue Fee, and credit card form PTO-2038 is enclosed herewith, authorizing the Examiner to charge the Issue Fee to the undersigned attorney's credit card. Any deficiencies in the Issue Fee payment, as well as any fees due and owing in respect of these Comments on Statement of Reasons For Allowance, may be charged to the undersigned attorney's PTO deposit account number 50-1047.

Respectfully submitted,

SIR:

ATTN: OFFICIAL DRAFTSPERSON

TRANSMITTAL OF FORMAL DRAWINGS

In response to the Notice of Allowability mailed 08/09/2006, applicant submits herewith for approval a new set of ten (10) sheets of formal drawings to be substituted

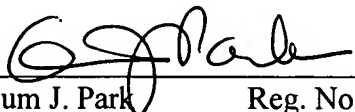

for the previously filed ten (10) drawing sheets of record.

It is noted that the Notice of Allowability does not indicate whether or not the drawings filed with the application on July 11, 2003 are acceptable, and the undersigned attorney has never received a Notice of Draftsperson's Patent Drawing Review in this matter. As the drawings filed with the application on July 11, 2003 include hand-drawn elements in certain figures, and German text in Fig. 1a, a requirement for formal drawings was expected.

Although not specifically required by the Notice of Allowability, Applicant submits the enclosed formal drawings in order to satisfy the ordinary requirements of 37 CFR 1.84. Any changes made to the drawings were made only to comply with the physical requirements of 37 CFR 1.84, i.e. line quality and uniformity, margins, scale, shading, page numbering, English text etc.

Consideration and entry of these formal drawings is respectfully requested.

Respectfully submitted:
